

Meike Rachmana

Technology, Data Protection & Commercial Legal Counsel

• AI Governance • Cybersecurity • Commercial Contracts • Intellectual Property • Personal Data Protection

rachmana.meike@gmail.com • +62 852-1605-8365 • Jakarta, Indonesia • PERADI-licensed Advocate

Technology and commercial legal counsel with **10+ years** advising government, fintech, and technology organisations on complex commercial contracts, IP licensing, regulatory compliance, and data governance across Indonesia and Southeast Asia. Structures and negotiates B2B, SaaS, vendor, and technology agreements; manages IP licensing and strategic partnerships; and embeds compliance, security, and risk frameworks into national-scale digital platforms handling sensitive data. Conversant with Indonesia's Personal Data Protection Law (UU 27/2022), the EIT Law and PSE regime, and emerging AI-governance practice. LLM in International Business & Finance Law (George Washington, USA); Cumlaude LLB (Universitas Indonesia).

FOCUS AREAS

Commercial Contracts

Drafting, review & negotiation of MSA, SOW, SaaS, vendor, service, investment & partnership agreements; risk allocation.

AI Governance & Emerging Tech

Legal review of AI/automation & digital platforms, e-signature & e-procurement, responsible-use safeguards.

Personal Data Protection

UU PDP 27/2022, data-processing agreements, cross-border transfer, consent & breach-response governance.

Intellectual Property

IP & technology licensing, tech transfer, brand & content protection within strategic partnerships.

Cybersecurity & Tech Risk

Security & data clauses, vendor/third-party risk, EIT Law & PSE compliance, platform governance frameworks.

Compliance & Governance

Regulatory compliance, legal due diligence, corporate governance & outside-counsel management.

EXPERIENCE

Legal Manager

2023 – Present

PT Telkom Indonesia Tbk — GovTech & Digital Procurement

- Structure and negotiate technology, e-signature, and data-processing arrangements with government buyers and technology partners, embedding compliance and balanced risk allocation across digital procurement contracts.
- Built governance and compliance frameworks for digital platforms serving **600+ government units**, addressing data handling, electronic-transaction (EIT/PSE) obligations, and platform-security requirements.
- Aligned contract structures and policy with regulatory obligations spanning electronic systems, digital signatures, and data governance.

Senior Legal & Corporate Secretary

2022 – 2023

Hijra Group & ALAMI P2P — Digital Bank & Fintech

- Led structuring, review, and negotiation of complex commercial and investment agreements — B2B and technology contracts, **IP licensing**, and strategic partnerships.
- Advised a regulated financial institution on data protection, consumer protection, and regulatory risk within a high-sensitivity personal-data environment.
- Managed outside counsel, prepared board materials, and maintained corporate governance and records.

Senior Legal Counsel

2019 – 2021

Ruangguru — Education Technology

- Advised a leading EdTech platform on commercial, IP, and regulatory matters; secured the **first national regulatory licence** for an EdTech company in Indonesia.
- Delivered cross-border legal and contract advisory across Indonesia, Thailand, Vietnam, and Singapore, covering technology, content/IP, and data considerations.
- Advised on investor negotiations and corporate structuring supporting **USD 210M** in fundraising (Series C and C2).

Legal Consultant & Researcher

2014 – 2019

AHP & WP Law Firm · OJK · Universitas Indonesia

- Provided contract, due-diligence, and regulatory support for investment and project financing, including the Cikopo-Palimanan (Cipali) 116 km toll-road project.
- Authored **seven regulatory research reports** for the Indonesia Financial Services Authority (OJK) on regulatory frameworks and consumer protection.
- Reviewed contract structures and regulatory compliance for policy-aligned execution of public-infrastructure projects.
